JOURNAL OF ORAL MEDICINE

Volume 25 — Numbers 1-4 — Pages 1-144

ANNUAL INDEX 1970

AMERICAN ACADEMY OF ORAL MEDICINE
American Board of Oral Medicine, Oct.-Dec., p. 122.
Annual Awards, Oct.-Dec., p. 123.
Annual Meeting, May 8-12, 1970, April-June, p. 54.
New Members Elected Dec. 7, 1969. Jan.-March, p. 29.
New Members Elected, Oct.-Dec., p. 126.
President's Address, Kershaw, J. A. Oct.-Dec., p. 128.
Retiring President's Message, Dr. M. Hyman, Oct.-Dec., p. 127.
Semi-Annual Meeting, Oct.-Dec., p. 121.

ANTIBIOTICS
Antibiotic Therapy in the Treatment of Acute Necrotizing Ulcerative Gingivitis. Collins, J. F. Jan.-March, p. 3.
Effect of Administration of Tetracycline in Pregnancy on the Primary Dentition of the Offspring. Genot, M. T., Golan, H. P., Porter, P. J., Kass, E. H. July-Sept., p. 75.
Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Shapiro, S., Heling, B., Brand-Auraban, A., Fuks, E., Bergner-Rabinowitz, S. Jan.-March, p. 18.
The Frequency of Appearance of Beta-Hemolytic Streptococci in the Tonsillar Fossa and Gingiva Related to Route of Administration of Penicillin. Heling, B., Brand-Auraban, A., Fuks, E., Bergner-Rabinowitz, S. July-Sept., p. 84.

BEHRENS, D. Understanding: An Adjunct to Periodontal Therapy. Jan.-March, p. 21.

BERGNER-RABINOWITZ, S. Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Jan.-March, p. 18.
The Frequency of Appearance of Beta-Hemolytic Streptococci in the Tonsillar Fossa and Gingiva Related to Route of Administration of Penicillin. July-Sept., p. 84.

BRAND-AURABAN, A. Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Jan.-March, p. 18.
The Frequency of Appearance of Beta-Hemolytic Streptococci in the Tonsillar Fossa and Gingiva Related to Route of Administration of Penicillin. July-Sept., p. 84.

CARDOSA, A. S. Multiple Calcified Lesions in the Floor of the Mouth. April-June, p. 43.

CASSINGHAM, M. L. Palatal Patechiae In Infectious Mononucleosis: A Case Report. Oct.-Dec., p. 133.

CASSINGHAM, R. J. Palatal Patechiae In Infectious Mononuclosis: A Case Report. Oct.-Dec., p.133.

CHERASKIN, E. A Linqual Vitamin C Test: XX. Effect of Multivitamin-Mineral Supplementation Upon Vitamin C State. Oct.-Dec., p. 118.

COHEN, L. Chronic Oral Ulceration. Jan.-March, p. 7.
The Interpretation of Age Changes In The Oral Structures. Oct.-Dec., p. 129.

COLLINS, J. F. Antibiotic Therapy in the Treatment of Acute Necrotizing Ulcerative Gingivitis. Jan.-March, p. 3.

CRAWFORD, J. J. Prevention of Plaque Formation by Organic Fluorides. July-Sept., p. 93.

ENDODONTICS
Endodontics and Oral Medicine. Epstein, L. I., April-June, p. 65.

EPSTEIN, L. I. Endodontics and Oral Medicine. April-June, p. 65.

FAST, T. B. Multiple Calcified Lesions in the Floor of the Mouth. April-June, p. 43.

FELLER, R. P. Taste, Tactile Stimulation and Parotid Flow in the Human. July-Sept., p. 84.

FLUORIDES
Enamel Solubility Reduction by Topical Application of Combinations of Fluoride Compounds. Shannon, I. L. Jan.-March, p. 12.
Prevention of Plaque Formation by Organic Fluorides. Shern, R., Swing, K. W., Crawford, J. J. July-Sept., p. 93.

FUKS, E. Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Jan.-March, p. 18.
The Frequency of Appearance of Beta-Hemolytic Streptocci in the Tonsillar Fossa and Gingiva Related to Route of Administration of Penicillin. July-Sept., p. 84.

GARFUNKEL, A. Kaposi's Sarcoma. July-Sept., p. 89.

GENOT, M. T. Effect of Administration of Tetracycline in Pregnancy on the Primary Dentition of the Offspring. July-Sept., p. 75.

GOLAN, H. P. Effect of Administration of Tetracycline in Pregnancy on the Primary Dentition of the Offspring. July-Sept., p. 75.

HARRISON, W. M. Temporomandibular Joint Syndrome—A Case History. July-Sept., p. 98.

HELING, B. Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Jan.-March, p. 18.
The Frequency of Appearance of Beta-Hemolytic Streptocci in the Tonsillar Fossa and Gingiva Related to Route of Administration of Penicillin. July-Sept., p. 84.

HERMEL, J. Taste Sensation and Age in Man. April-June, p. 39.

HERSCHFUS, L. Oral Manifestations of Blood Disorders. April-June, p. 56.

KAPLAN, H. Further Experience in Diabetes Detection Using a Standard Carbohydrate Drink. April-June, p. 51.

KASS, E. H. Effect of Administration of Tetracycline in Pregnancy on the Primary Dentition of the Offspring. July-Sept., p. 75.

KING, D. R. Lingual Ascorbic Acid Test. Oct.-Dec., p. 107.

KWAIT, D. Pin Implants: A Method of Stabilizing The Full Lower Denture. Oct.-Dec., p. 137.

LARATO, D. S. Effects of Unilateral Mastication on Tooth and Periodontal Structures. July-Sept., p. 80.

LITTLE, J. W. Lingual Ascorbic Acid Test. Oct.-Dec., p. 107.

LYON, R. Pin Implants: A Method of Stabilizing The Full Lower Denture. Oct.-Dec., p. 137.

XUM

LYONS, D. C. The Histopathologic Variations of the Chronic Dental Granuloma. April-June, p. 46.

MIRIOHI, M. The Histopathologic Variations of the Chronic Dental Granuloma, April-June, p. 46.

NOWPARAST, B. The Histopathologic Variations of the Chronic Dental Granuloma. April-June, p. 46.

ORAL MEDICINE
A Lingual Vitamin C Test: XX. Effect of Multivitamin-Mineral Supplementation Upon Vitamin C State. Cheraskin, E., Ringsdorf, Jr., W. M. Oct.-Dec., p. 118.
Antibiotic Therapy in the Treatment of Acute Necrotizing Ulcerative Gingivitis. Collins, J. F. Jan.-March, p. 3.
Chronic Oral Ulceration. Cohen, L. Jan.-March, p. 7.
Effect of Administration of Tetracycline in Pregnancy on the Primary Dentition of the Offspring. Genot, M. T., Golan, H. P., Porter, P. J., Kass, E. H. July-Sept., p. 75.
Endodontics and Oral Medicine. Epstein, L. I., April-June, p. 65.
Further Experience in Diabetes Detection Using a Standard Carbohydrate Drink. Kaplan, H. April-June, p. 51.
Lingual Ascorbic Acid Test. King, D. R., Little, J. W. Oct.-Dec., p. 107.
Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Shapiro, S., Heling, B., Brand-Auraban, A., Fuks, B., Bergner-Rabinowitz, S. Jan.-March, p. 18.
Oral Manifestations of Blood Disorders. Herschfus, L. April-June, p. 56.
Pin Implants: A Method of Stabilizing the Full Lower Denture. Schiller, L. E., Kwait, D., Lyon, R., Oct.-Dec., p. 137.
Some Clinical Aspects of Oral Medicine. Rosenthal, S. L., Oct.-Dec., p. 112.
Taste Sensation and Age in Man. Hermel, J., Schonwetter, S., Samueloff, S., April-June, p. 39.
Temporomandibular Joint Syndrome—A Case History. Stansbury, B. E., Harrison, W. M. July-Sept., p. 98.
The Frequency of Appearance of Beta-Hemolytic Streptococci in the Tonsillar Fossa and Gingiva Related to Route of Administration of Penicillin. Heling, B., Brand-Auraban, A., Fuks, E., Bergner-Rabinowitz, S. July-Sept., p. 84.

PATHOLOGY
Chronic Oral Ulceration. Cohen, L. Jan.-March, p. 7.
Kaposi's Sarcoma. Pisanty, S., Garfunkel, A. July-Sept., p. 89.
Multiple Calcified Lesions in the Floor of the Mouth. Cardoso, A. S., Fast, T. B., April-June, p. 43.
Palatal Petechiae in Infectious Mononucleosis: A Case Report. Cassingham, R. J., Cassingham, M. L., Oct.-Dec., p. 133.
Temporomondibular Joint Syndrome—A Case History. Stansbury, B. E., Harrison, W. M. July-Sept., p. 98.
The Histopathologic Variations of the Chronic Dental Granuloma. Lyons, D. C., Yazdi, I., Nowparast, B., Miriohi, M., April-June, p. 46.

PERIODONTICS
Effects of Unilateral Mastication on Tooth and Periodontal Structures, Larato, D.S. July-Sept., p. 80.
Understanding: An adjunct to Periodontal Therapy. Tobin, D. F., Behrens, D. Jan.-March, p. 21.

PHYSIOLOGY
Taste, Tactile Stimulation and Parotid Flow in the Human. Feller, R. P., Shannon, I. L. July-Sept., p. 87.

PISANTY, S. Kaposi's Sarcoma. July-Sept., p. 89.

PORTER, P. J. Effect of Administration of Tetracycline in Pregnancy on the Primary Dentition of the Offspring, July-Sept., p. 75.

PSYCHOLOGY
Understanding: An Adjunct to Periodontal Therapy. Tobin, D. F., Behrens,, D. Jan.-March, p. 21.

RINGSDORF, JR., W. M. A Lingual Vitamin C Test: XX. Effect of Multivitamin-Mineral Supplementation Upon Vitamin C State. Oct.-Dec., p. 118.

ROSENTHAL, S. L. Some Clinical Aspects of Oral Medicine. Oct.-Dec., p. 112

SAMUELOFF, S. Taste Sensation and Age in Man. April-June, p. 39.

SCHILLER, L. E. Pin Implants: A Method of Stabilizing The Full Lower Denture. Oct.-Dec., p. 137.

SCHONWETTER, S. Taste Sensation and Age in Man. April-June, p. 39.

SHANNON, I. L. Enamel Solubility Reduction by Topical Application of Combinations of Fluoride Compounds. Jan.-March, p. 12.
Taste, Tactile Stimulation and Parotid Flow in the Human, July-Sept., p. 84.

SHAPIRO, S. Oral Hygiene and Beta-Hemolytic Streptococcal Carrier States During Penicillin Prophylaxis. Jan.-March, p. 18.

SHERN, R. Prevention of Plague Formation by Organic Fluorides. July-Sept., p. 93.

STANSBURY, B. E. Temporomandibular Joint Syndrome—A Case History. July-Sept., p. 98.

SWING, K. W. Prevention of Plaque Formation by Organic Fluorides. July-Sept., p. 93.

TOBIN, D. F. Understanding: An Adjunct to Periodontal Therapy. Jan.-March, p. 21.

YAZDI, I. The Histopathologic Variations of the Chronic Dental Granuloma. April-June, p. 46
